## **RECOMMENDATION**

It is recommended that Board

3. Approve an amendment to the Standard Agreement between the County and the California Department of Corrections and Rehabilitation to delete language regarding the term of the agreement, with all other provisions remaining the same and
4. Direct the Chair to initial in the designated location noted on the Standard Agreement.

## **DISCUSSION**

The term of the original agreement between the County and the California Department of Corrections and Rehabilitation (CDCR) was January 1, 2012 through December 31, 2013 and was approved by the Board of Supervisors on May 15, 2012. Under this agreement the County agreed to provide outpatient drug and alcohol services. The agreement was then sent to CDCR for final execution. After State execution on July 10, 2012, it was discovered that language had inadvertently been included on page 1 of the original agreement that prevented the State from paying the County for services performed between January 1, 2012 and May 15, 2012.

In order to fix this mistake, the State amended the executed agreement by lining out a portion of the description on page one and sent it to the County for approval. Staff is requesting that the Chairperson of the Board initial the change and thus enable the State to pay the County for services rendered between January 1, 2012 and May 15, 2012. The County will then send the agreement with the initialed change to CDCR for initial and final execution.

The term initially stated on the agreement read: "January 1, 2012 through December 31, 2012 or upon final approval or whichever occurs later". The term has been amended by the State to read: "January 1, 2012 through December 31, 2012 ~~or upon final approval or whichever occurs later~~". The previous staff report of May 15, 2012 identified the term as January 1, 2012 through December 31, 2013, consistent with the State amended term. All other provisions of the Standard Agreement remain the same as previously approved by the Board on May 15, 2012.

## **OTHER AGENCY INVOLVEMENT/IMPACT**

The CDCR, County Behavioral Health and County Counsel have reviewed the amended Standard Agreement. County Counsel has approved the amendment to the Standard Agreement as to form and legal effect.

## **FINANCIAL CONSIDERATIONS**

The parties had intended that the duration of this contract be between January 1, 2012 and December 31, 2013. Behavioral Health has provided about \$15,000 worth of services between January 1, 2012 and May 15, 2012 for which it has not been paid. The State has agreed to pay the County when the proposed amendment is approved by both the County and the State.

## **RESULTS**

Approval of the proposed amendment and subsequent execution will allow the State to reimburse Behavioral Health for services rendered after January 1, 2012.

The agreement with the California Department of Corrections and Rehabilitation to provide parolee services helps Behavioral Health achieve its mission of promoting safe, healthy, responsible and informed choices concerning alcohol and other drugs through programs responsive to community needs. That mission contributes to efforts to achieve the desired community wide results of a "Healthy Community" and a "Safe Community".
